

Children's Prayer Activity

In the story of the mustard seed, Jesus tells us God can use something small to do great things! Write in the blanks or draw in the boxes to create a prayer. Share your prayer with your family to celebrate what God can do!

Dear God,

Your imagination is amazing!

You make _____ become _____,
(example: seeds) *(example: trees)*

--	--

so that _____.
(example: birds have a place to live)

--

Thank you for using small things, including us, to make big miracles happen. Help us see you at work and join in.

In Jesus' name we pray, Amen.
