Water Prayers

Water is an important resource for all of us. This week, see how many times you can give thanks for the gift of God's love in the water that helps sustain us. Each night at dinner, invite each family member to recount how they used water that day. Examples might be "taking a bath" and "doing laundry" and "drinking water" or "cooking ." When everyone has had a chance to contribute, use the prayer below or one of your own in thanksgiving. Remember those who do not have enough clean water in your prayers and in your actions, making a contribution to the Week of Compassion coinbox, which you might keep on the dinner table during this time!

PRAYER

**"Praise God who makes the water flow,
it washes us and helps us grow.
God bless the waters here below,
and all who help God's love to flow. Amen!"**
